

“MODSONIC PHOTO CONTEST 2020”

Winners’ Announcement

**We had an overwhelming response to our
“Modsonic Photo Contest 2020”**

**Many high quality photos showing Modsonic Ultrasonic Flaw
Detectors in use on site were received as contest entries.**

The selection indeed was very difficult for us.

**We thank you all the contestants for their enthusiastic
participation.**

We are pleased to announce three winners as below.

A stage with red curtains and a three-tiered white podium. The text "And The Winners Are..." is written in red in the center of the stage.

**And The Winners
Are...**

M/S. Spion NDT & Engineering Services, Satara.
